

The Smarter Balanced Assessment System Propels Instruction Forward

STATE STANDARDS

after high school.

INFORMED INSTRUCTION

system provides standards-aligned tools, information, and feedback to inform instruction and help teachers to support student learning and growth, including development of essential critical-thinking and problem-solving skills.

COLLEGE & CAREER READY

As a result, the Smarter Balanced system helps educators ensure students graduate high school ready to succeed in college and a career.

Consistent Feedback, Continuous Improvement

SUMMATIVE ASSESSMENTS

determine students' college and career ready progress
